

Dear Families,

DSAP is very pleased to now offer speech and language therapy programs to our members with Down Syndrome. Due to the various fundraising initiatives, DSAP is proud to announce that this program will be subsidized, reducing the cost to families to only \$30.00 per session. Families with insurance are required to utilize their insurance funding before the DSAP subsidy kicks in.

Therapy sessions will be in small groups of 3-4 children, in the same age group and will begin on January 2019.
